LAFAYETTE MILLS SCHOOL DELAYED OPENING INFORMATION FOR 2021

If a 90-minute delay is called please refer to the following information.

Schedule and Student Arrival

Student drop off will begin at 10:05 AM. Entry to the building will begin at 10:20 AM. LMTV morning announcements will begin at 10:30 AM for in-person and hybrid. For students in grades 1 and 2 all instruction will be in-person. Students in grades 3-5 will attend on their originally scheduled virtual day.

The entire day is moved from 10:05 AM - 2:20 PM. Therefore, there will be **no 90-minute afternoon virtual instruction** after the in-person/hybrid school day concludes. The 4-hour day will now conclude at 2:20 PM. Please do not arrive for parent pick-up prior to 1:45 PM. We will begin calling buses at 2:25 PM. Please expect some delays due to the amount of snow in our parking lot and surrounding area.

Busing Considerations

Add 90-minutes to your child's regular drop-off and pick-up time. Please consider that road conditions may impact this schedule. Your patience and understanding is appreciated.

Please remember that the end of the school day has been extended 90-minutes. You must ensure you have made arrangements for childcare. Having a backup plan just in case is always recommended. *As on any other school day, students in grades 1-5 will be dropped off at their regular bus stops whether or not an adult is present.*

YMCA

If your child attends the YMCA, please contact the YMCA for further information on specific drop-off times.

Respectfully,

Gregory Duffy
Principal
