Parent Drop Off Lane is HERE.
 Please make a single line of cars (unless you are told otherwise by a staff member). Students are not to be released until you are directed to do so by a staff member. Please refrain from getting out of your car to assist your child. Staff will help where needed. If needed, please practice with your child how to open the door to get out of the car and to retrieve his/her belongings. We need to keep the line moving as we expect many drop offs. Do not park your car in the drop off lane or in a spot to drop your child off. Driving around cars to leave the lot early is not permitted. We appreciate your patience and flexibility.
