Manalapan-Englishtown Residents

Preschool Program

2021-2022 School Year

Program open to 3 and 4 year olds

The Manalapan-Englishtown Regional School District will be offering Preschool Programs at the John I. Dawes Early Learning Center, 38 Gordons Corner Road, Manalapan. The programs are open to 3 and 4 year old children who reside in Manalapan or Englishtown for the 2021-2022 school year.

The Preschool Programs follow the Tools of the Mind Curriculum, which is aligned with the New Jersey State Department of Education's Preschool Teaching and Learning Expectations. The classes will be taught by certified teacher(s) and will provide an inclusive educational environment for preschool disabled children.

If the number of applicants exceeds the number of openings, a lottery drawing will be held and a waitlist will be created for the typically developing children. Once selected, the typically developing children will participate in a preschool screening to determine age-appropriate skills. Children with age-appropriate skills will be accepted as tuition students. Tuition for the school year will be \$275.00 per month. Transportation is the responsibility of the parents/guardians.

A virtual information session for interested parents/guardians will be held on March 11, 2021 at 9:00 am. At the conclusion of the session, applications for the program will be emailed. Parents/guardians who plan to attend the virtual information session should confirm their attendance via email to Jill Berlin-LoGatto at jillberlinlogatto@mersnj.us by March 9, 2021. The link for the virtual information session will then be emailed to you. If you are unable to attend the virtual session, but are interested in having your child considered for our preschool program, please email Mrs. Berlin-LoGatto and an application will be emailed to you after the session is held. **Completed applications should be emailed to Mrs. Berlin-LoGatto NO LATER THAN March 18, 2021.**
