

Greetings and welcome
to all new and returning
Milford Brook families!

Get ready for an exciting
2018 - 2019 school year!

WHAT IS PTO AND WHY SHOULD I GET INVOLVED?

If you want to make a difference in your child's education, the PTO is for you! We work cooperatively with families and school staff as partners to enhance our children's educational success. Our fundraising efforts provide additional materials and supplies, enriching educational programming, entertaining social events, and cutting-edge technology, such as interactive smartboards, to support each child's learning experience.

MEMBERSHIP

All families of students currently enrolled in Milford Brook are encouraged to become PTO Members. By joining for only \$10.00 per family, you support all PTO endeavors, stay informed and connected via our Remind App, have voting rights regarding PTO activities, and can volunteer to help at our events. **The success of the PTO depends on YOU!**

Volunteering is a fantastic opportunity to interact with your kids and learn more about their school life. Family involvement helps create a better environment for students and supports academic success. Whether you volunteer for just one event or assist continually throughout the school year, every bit helps our children. Even if you are unable to volunteer your time, your membership dues greatly aid your children's academic experience at Milford.
