

Hi! I'm Mrs. Dalfonzo

Welcome to a new and exciting school year! *Teaching* is an absolute passion of mine. I am so excited to work with you and your *child* this school year! It is sure to be a year filled with fun, *learning*, challenges, adventures, and great memories. I cannot wait to start our *journey*!

I have known I wanted to be a *teacher* since I was four years old. It has been my life's path ever since. I attended *Rutgers University* where I received both my Bachelor of Arts and Master of Education Degrees. I am *certified* in Elementary Education and Special Education. I truly love *learning* as much as I love teaching. I have continued to take classes and seek out opportunities to learn new strategies and *activities* to make our classroom an environment that is brimming with learning and *fun*.

This is my **10th** year at *Milford Brook School*. I was lucky enough to student teach at MB in the fall of 2010 and I have been there ever since. I have *taught* first, second, third, and fourth grade(s). First grade is my absolute **FAVORITE!** We will *work* very hard, but have lots of fun too. You are going to see tremendous *growth* in your child throughout the year.

I am dedicated to making this a busy, *productive*, and terrific year for everyone. It is my *mission* to provide your child with the best opportunities to be a *successful* learner and help foster a *desire* to be life-long learners. I feel that having high expectations and differentiating instruction will help create an *atmosphere* in which each child will grow academically, socially, and emotionally. Please let me know if you have any questions or concerns. It is so *important* to keep communication open between us. I am looking forward to a fantastic *year* and meeting *you* at Back-to-School Night!

Sincerely,
Danielle Dalfonzo
