Dear 8th Grade Parents, Guardians, and Students,

You are cordially invited to attend Manalapan High School's Eighth Grade Orientation on **Wednesday, January 19, 2022 beginning at 6:30 pm** in our high school auditorium.

The evening's program is designed to introduce you to the academic programs and educational opportunities available at Manalapan High School. The program will consist of an overview of school programs, curriculum offerings, and the registration process for the 2022-2023 school year. Additionally, you will have an opportunity to explore our open house of electives and core course offerings after the presentation.

We would also like to invite the parents of our special education students to meet with Special Education Supervisor, Ms. Carollee Moorefield, and members of our Special Education Department in the Media Center on **Wednesday, January 19, 2022 beginning at 6:00 pm**. This is an opportunity to learn about our special education program and offerings.

In case of inclement weather, Eighth Grade Orientation will take place on Thursday, January 20, 2022 beginning at the same times noted above. We look forward to seeing you at our Eighth Grade Orientation on **Wednesday, January 19, 2022 at 6:30 pm**. Welcome to Manalapan High School.

Thank you,

Michael Dillon
