

FREEHOLD REGIONAL HIGH SCHOOL DISTRICT

Office of Curriculum and Instruction

Magnet & International Baccalaureate Programs

Greetings, Parents/Guardians of the Class of 2026!

The Freehold Regional High School District offers many opportunities to our students, some of which require decisions made in the fall of 8th grade. Two of those opportunities are our Magnet Programs and the International Baccalaureate (IB) Diploma Programme. These programs allow students to pursue passions in specific, focused areas.

In order for parents/guardians and students to make informed decisions about these options, information is available in various ways.

- Explore the [Magnet Program](#) and [IB Sites](#). These Sites provide in-depth information about each program, the application process, and important dates and deadlines.
- View the informational videos about the Magnet and IB Programs available on both Sites.
- Attend an optional webinar in which your questions about the overall process and application can be answered by the Director of Curriculum & Instruction and Supervisor of Magnet Programs. [Dates and links for these Information Sessions are available here.](#)
- Submit questions about the Magnet Programs and IB Program [in this form](#).
- Attend an in-person Open House for specific programs you are interested in. These are not required, but are strongly recommended. [Dates for these Open Houses are available here.](#)

There are [several important dates and deadlines](#): please carefully review so you and your child do not miss informational sessions or application deadlines. Late applications and submissions are not accepted.

If you have any questions, reach out to the FRHSD Office of Curriculum & Instruction: 732-792-7300, ext. 8529. We look forward to welcoming the class of 2026!

Sincerely,

Shanna Howell
