August 2023

Dear Pine Brook Families,

We are thrilled to be able to present to you a number of after/before school extra-curricular opportunities at Pine Brook School this year. These activities will be presented on PBTv during the first weeks of school to support your child in determining if the activity is something they would like to join. Please be reminded that Intramural Sports require a Sports Physical to be on file no later than August 11 in order to register for any sport in any season. Also note that band and orchestra have sign-ups already available on the website, and that form should be completed ASAP if you are interested in having your child participate.

Please view our [Activities Brochure](#) for information on all activities offered at Pine Brook this year! For families who qualify for the National School Lunch Program, please see the [attached letter](#). Additionally, families will not be responsible to pay for more than three club fees during the 2023-2024 school year.
