

Wemrock Brook School Retrieval of Student Items

Do I get to select when I want to come?

Pickup will be arranged by homeroom. Please **do not** come outside your child's teacher's scheduled time or the date provided for that homeroom.

What if I have more than one child in the school? Do I come at a different time for each child?

For families with younger children in other classrooms, **their bags with personal items will be with their older sibling's classroom.** This will enable parents/guardians to only have to come to the school once. For *twins in the same grade*, you can come at either time slot.

What if I have medication to pick up and sign-out from the nurse?

If you have medication to pick up from the nurse, please come during your child's scheduled time slot. The nurse will be able to provide you with your child's medication at the same time you are there to pick up your child's other belongings. The nurse will show you the medication, place it in the bag, sign off, and put it in the trunk of your car.

What will I expect when I arrive?

This is a new procedure for all of us. When you arrive, please be patient as we do expect long lines and potential wait time. Please pull all the way up to the end of the sidewalk along the front of the building (by the main school entrance). When you pull up, please roll down the window and remain in the car at all times. Someone will ask for your child's name and teacher. If you are also picking up for a younger child/sibling, give that child's name, too. We ask that you open the trunk of the car without getting out of the car as this is where the items will be placed.

What if I have library books, books that belong to the teacher, or other curricular materials that belong to the school? (Workbooks can be recycled and do not need to be turned in.)

Bring these with you in a bag labeled with your child's name and teacher. We will have containers to put them in. These containers will be located along the playground fence (facing the Transportation building). Please pull around to that side of the building and drop the entire bag directly in the container. They will remain in the containers until they are safe to handle.

For K-5 students: What if I have a school-loaned Chrome Book?

Your children will need these items until June 19th, the last day of virtual learning. Upon the conclusion of the school day on June 19th, the district will remotely deactivate these devices so they can not be utilized over the summer. Chromebooks will remain active for students attending our district's Summer Program. Please keep these devices in a safe place over the summer. When school resumes in the fall, they will be returned to the school. If your child is going to Pine Brook, the Chrome Book can be turned in with a sibling at Wemrock Brook or to Pine Brook. If you are moving out of the district, please notify us, and we will arrange for the return of these items.
