MAIN OFFICE

As in most schools, the Main Office is the heart of our organization. Information travels to and from our office constantly and quickly. Our secretaries work hard to ensure that our office is not only efficient, but also helpful to our students, staff, and parents. Many common questions can be answered through our website or our handbook. If other questions arise throughout the course of the year, please contact the teacher or staff member **directly** via email or voicemail. Of course, our office staff will be happy to assist you as well. We can be reached at **(732) 786 – 2600**. **School office hours are 7:30 a.m. – 3:15 p.m.**

Other personnel that can be contacted through the main number include:

HOW TO EMAIL A STAFF MEMBER

Each staff member may be emailed by first initial, last name, and the district address. For example, John Doe may be emailed by entering jdoe@mersnj.us into the address line. For our newer staff members, you need to use their full name in the address line for example, johndoe@mersnj.us. Refer to the staff directory for email addresses. You may also contact every teacher through voice mail. Simply follow the menu after dialing the school's main number.

NOTE: If you experience difficulty reaching a staff member via email or receive notice that you have been “blocked” by our server, please send an email to emailproblems@mersnj.us explaining the problem.

SCHOOL DAY / OFFICE HOURS

The school day is from **8:10-2:30 p.m.** Students should not come to school any earlier than 8:10 a.m., except by special arrangement with a teacher. Students are considered late if they arrive at school after 8:20 a.m..

A four-hour day is 8:10 a.m. – 12:10 p.m.
A delayed opening is 9:40 a.m. – 2:30 p.m.

PARENT DROP-OFF/PICK-UP

The Manalapan-Englishtown School District provides buses for ALL students and everyone is encouraged to ride the school bus on a daily basis.

If you feel the need to drive your child, you may drop him/her off in the morning at the side entrance of our school at **8:10 a.m.** A safety assistant is present and will make sure your child enters the school safely. At 8:20 a.m., the safety assistant will NO longer be present. Please drop off your child at the front of the school. Your child may ring the bell for admittance to the Nurse's Office where a late pass will be issued. Any student entering the building after 8:20 a.m. will be marked late for the day.

Parents and guardians may pick up their children beginning at 2:20 p.m. at the back entrance of the school. Parents/guardians picking students up at the end of the day must send a note to the teacher that day. Please **DO NOT** email a pick-up request as the teacher may not have the chance to check email prior to your arrival. If a parent or guardian picks his/her child up every day or on a specific day of each week for the entire year (e.g., karate on Mondays), one note is sufficient for the entire year. All changes must be followed up with a note. If the school does not have a note indicating that a student will be picked up, the student will be sent home on the bus. In an emergency, a parent must advise the school by a phone call to the school office that the request is being made not to place a child on the bus, and the student will be held in the back hallway (as noted above) for parent/guardian pick up at dismissal. **PLEASE make every effort to inform us in advance with a note as these phone calls can be disruptive to the class and create unnecessary confusion.**

Prior to bus dismissal, there will be an announcement that all students being picked up must report to the courtyard hallway where they will be supervised for pick up by their parents/guardians. Please be sure to park in a marked parking space. Students must be signed out by their parent/guardian, and may also be picked up by an authorized person designated by the parent/guardian. It is necessary to show identification when picking up a student. In the case of divorced or separated parents, the non-custodial parent must have the permission of the custodial parent to pick up the student. The custodial parent has discretion to give permission to another person (e.g., babysitter/family member) to pick up children from school. The non-custodial parent may not prohibit the other parent from doing so. Accordingly, the school district may release students to those persons whom the custodial parent has designated. In the case of joint legal custody, the parent who may designate who may pick up children is the parent who has residential custody on that day of the week, as specified in the divorce judgment.

PAPERLESS COMMUNICATION

Wemrock Brook is a paperless school! At Wemrock Brook, we no longer rely on paper communication but provide our parents with instant information through e-mail. All of our school correspondence is distributed through BlackBoard, our district's email messaging platform.

Most school notices will be sent to you via e-mail. Simply click the attachment contained in the e-mail in order to view the notice. You may also check for any notices you may have missed or refer back to a notice for a due date or pick up time by viewing the Backpack on the website. You will see a list of our postings and the dates they were added. To access the Backpack, go to <https://www.mersnj.us/wb> and follow the link at the top of the page.

In order to maintain a proper educational environment and keep our school, staff, and students free of danger and disruption, we have developed the following handbook, which includes the code of conduct for our school. Please understand that the rules you are about to read in this handbook/code of conduct supplement our broad, discretionary authority to maintain safety, order and discipline inside the school zone. The rules/policies contained within this handbook support, but do not limit, our authority. In addition, please note that the code and the aforementioned authority extend to ALL who enter the school zone and/or attend school-sponsored events.

ABSENCES

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent, guardian, or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the school district attend school regularly in accordance with the laws of the State. In accordance with the provisions of N.J.A.C. 6A:16-7.6, the district has adopted Policy and Regulation 5200 regarding student attendance. Please see the complete version of the policy for details regarding student absences.

When a student is absent from school, the parent/guardian is required to call the attendance line (732-786-2600 and press 2) or report the student's absence on Genesis. Upon the student's return to school after an absence, the parent/guardian must send the nurse a note that includes the student's name, date(s) and reason for absence, as well as the signature of the parent/guardian.

Late to School

Students who arrive in their classrooms after 8:20 a.m. are considered to be tardy. Students who are tardy MUST obtain a late pass before going to the classroom. According to Board Policy 5210, the Board of Education believes that promptness is an important element of school attendance. Students who are late to school miss essential portions of the instructional program, and create disruptions in the academic process for themselves and other students. Tardiness is defined as arriving late to school (after 8:20 a.m.).

- At 5th tardy, a letter from the administration will be sent to parent/guardian and placed in the student's file.
- At 10th tardy, a second letter from administration will be sent to parent/guardian and the parent/guardian will be contacted by an administrator.
- At 10+ tardies, at the discretion of the building administrator, a consequence may be assigned to your child, which may include detention.

Attendance in School – After-School Activity

To attend or to participate in an after-school activity, the student must attend a full day of school that day. Students who are on a school suspension (whether in-school or out-of-school suspension) may not participate in any aspect of an after-school activity during the day(s) of the suspension.

ACADEMIC ETHICS – BOARD POLICY #5701

Pupils are expected to be honest in all of their academic work. This means that they will not engage in any of the following acts:

- Cheating on examinations, including but not limited to the non-authorized use of books or notes; the use of crib sheets; copying from other students' papers; exchanging information with other students orally, in writing, or by signals; obtaining copies of the examination illegally and other similar activities.
- Plagiarism is not permitted in term papers, themes, essays, reports, images, take-home exams, and other academic work. Plagiarism is defined as stealing or use without acknowledgment of the ideas, words, formulas, textual materials, on-line services, computer programs, etc., of another person, or in any way presenting the work of another person as one's own.
- Falsifications, including forging signatures, altering answers after they have been graded, the insertion of answers after the fact, the erasure of grader's markings, and other acts that allow for falsely taking credit.

Pupils found guilty of academic dishonesty, may be subjected to a full range of penalties including, but not limited to, reprimand and loss of credit for all of the work that is plagiarized.

ACCIDENT REPORTS

If a student is hurt on the bus or school grounds or in the building or classroom, it is IMPORTANT that the student report the injury to his/her bus driver, lunch assistant, teacher, or nurse **immediately**.

BATHROOMS

The classroom teacher will give permission to a student to use the bathroom. It is the student's responsibility to sign out when leaving the room and sign in when returning.

BEFORE/AFTER SCHOOL CARE

For information about non-district run before care and after-care programs, please see the school and district websites.

EMERGENCY CLOSING PROCEDURES FOR BEFORE/AFTER SCHOOL CARE

Please contact your before care and after care provider for procedures regarding inclement weather.

BULLYING

The Manalapan-Englishtown School District has adopted policy 5512.01 on harassment, intimidation and bullying which may be accessed on the district website. Our staff is committed to educating our students about bullying. Students will participate in regular lessons throughout the year regarding anti-bullying strategies. Parents/Guardians may report an incident of bullying using Hibster which is located on all school and district websites. More detailed information about the anti-bullying policy/program is available on our district website: www.mersnj.us.

CARE OF PROPERTY

The school and school grounds reflect the attitudes of the students and the community. Let's do our part to show pride in our schools and grounds by keeping halls, classrooms, and outside areas neat, clean, and free from litter and vandalism. If a student marks or damages school property, they will be required to pay for the damages.

CHROMEBOOKS

Students in grades 2-5 will receive a Chromebook for daily use in school. Students in grades K and 1 will receive an iPad. The child is expected to follow all guidelines as outlined in the MERS Technology Responsible Use Handbook. Any student not following established guidelines will be subject to consequences as outlined in the Responsible Use Handbook.

CELL PHONES/SMART WATCHES/ OTHER DEVICES/TOYS

The use of cell phones and Smart watches during the school day disrupts and interferes with the educational process and will not be tolerated. Students will be subject to disciplinary procedures and confiscation if devices are visible and/or used during school hours, extra-curricular activities, or at school performances/events. Therefore, all items that fall in this category should be turned off and placed in backpacks during the school day and while on the bus. At times, student cell phones or associated technology become part of disciplinary and/or HIB investigations and will be used in support of the investigation. The entire policy may be read on the district website: <http://www.mersnj.us>.

Use of personal gaming devices, laser pens, and any other electronic devices are not permitted in school or anywhere on school property (including the school bus) and should not be brought to school. In addition, we kindly request that students not bring toys to school. Lost personal property is not the responsibility of the school district.

A review of Board Policy #5516 explicitly states that "The Board of Education assumes no responsibility in any circumstances whatsoever for the loss, destruction or theft of any cellular phones, remotely activating paging device or similar device that is brought to school at any time or to any extra-curricular or after school activity."

DISTRICT ISSUED MATERIALS

Workbooks and technology are provided by our Board of Education. Students are expected to take good care of their materials when they are using them. If any school issued item is damaged or lost, it will need to be replaced; however, a fee may be assessed.

DRESS CODE

- When standing at attention, shorts and skirts should be "fingertip" length.
- Lower-body garments and shirts should meet at all times. Skin should not be showing.
- Loose-cut tank tops or transparent tops should be accompanied by a shirt worn underneath.
- Shoulder straps should be approximately three fingers in width.
- Clothing that has offensive or inappropriate writing/graphics is not permitted.
- Flip flops are not permitted due to safety concerns. All shoes must have a closed back or ankle strap. Please be reminded students must have sneakers to play on the playground equipment and to participate in Physical Education.

Parents will be called to bring in more appropriate clothing for the student to wear during the school day if any of the above inappropriate items are identified.

EMERGENCY

If a child becomes sick or hurt at school, the nurse will get in touch with the parent/guardian. The parent/guardian will be responsible for taking the child home. Parents/Guardians must make arrangements in advance for emergency contacts if they cannot be reached. Please advise all emergency contacts that they are required to show proper identification before a student will be released to their care. The school nurse may give first aid only, which is “immediate and temporary treatment.” Students should not use their electronic devices to call home should they have an emergency on school property.

EMERGENCY DRILLS

For the safety of all children, emergency drills (such as Lockdown, Emergency Assembly, Evacuation, and Shelter In Place) will be practiced routinely throughout the school year. A letter will be backpacked to all parents/guardians at the conclusion of each drill.

EMERGENT/EARLY CLOSINGS

Early Dismissal Due to Inclement Weather/Other Emergency Situations:

In the event schools are to be closed or there is a delayed opening due to inclement weather, the district’s automated phone notification system will be activated immediately. Special announcements will also be made via the following:

- District Phone Line (recorded messages during appropriate situations)
- District Website: <http://www.mersnj.us>

Note: We will consider a delayed opening if hazardous road conditions and/or poor visibility exist. The announcement will state “delayed opening” of schools. A delayed opening shortens the school day by 90 minutes, and lunch will be served.

On rare occasions children will be bussed home early to avoid hazardous traffic conditions, unexpected storms, or for other unexpected emergencies. Parents/Guardians will be notified via the district’s automated phone notification system. Please make sure your phone numbers are accurate in our records. If you are aware of such weather conditions and have not received a call, please reference one of the announcement sites above. Keep in mind that road conditions and visibility are major factors in our decision making, more so than the number of inches of snow. It is important that your child is familiar with your procedures for days with an early closing.

Consistent with the district’s policy for regular length school days and regularly scheduled early dismissal days, on emergent/inclement weather early dismissal days, **STUDENTS IN GRADES 2-5 WILL BE DROPPED OFF AT THEIR REGULAR BUS STOPS WHETHER OR NOT AN ADULT IS PRESENT. Please carefully review the school calendar (included in this handbook and posted on the district’s website) for scheduled early dismissal days (noted as 4-hour days), and keep informed about emergent/inclement weather dismissals. If you do not want your child to take the bus on early dismissal days, you must send a note to your child’s teacher and the student will be held to be picked up. In emergencies, please call the Main Office.**

GRADING

Report cards are issued at all grade levels (K–5th). First, second, third, fourth, and fifth grade report cards are issued three times a year. Kindergarten report cards are issued twice a year. The first, second, third, fourth, and fifth grade report cards are Standards-Based and are based on a five-point coding scale rather than typical report card grades of A, B, C, D, and F to rate student performance. Please refer to the school website for specific information about report cards.

*****Report cards are only available on the Parent Portal. Paper copies will not be distributed. Please ensure you are reviewing your child’s report card, and, if necessary, printing a copy.**

HEALTH OFFICE GUIDELINES

Our school nurse is available to provide nursing services and emergency health care for pupils as per Board of Education policy. In order to maintain a healthy environment for all students, we request that you comply with the following guidelines to prevent your child from contracting illness from another child and vice versa.

- Please do not give your child Tylenol, etc., and send them to school. If a child has a fever, even if he/she takes Tylenol, etc., he/she is still contagious.
- If your child has vomited either at bedtime or before school, please keep him/her home for at least 24 hours.
- The length of absence after a child has been diagnosed with strep throat is 24 hours after the start of the medication.

Medication

Students are not to have any medication with them. Before any medication is given by our nurse, all of the following must take place:

1. A note from parent/guardian giving permission for medication to be administered by the nurse.
2. A note from a physician stating name of medication, dosage, and length of time medication is to be given.
3. All prescription medication must be in a labeled prescription container; over-the-counter medication must be in its original container.
4. Parent/guardian **must** transport medication to/from school.

Students with Life-Threatening Allergens

Board of Education Policy, *Administration of Medication #5330*, is available on the district website.

HOMEWORK POLICY

Our Manalapan-Englishtown Board of Education strongly believes in and reasserts "...its belief that homework is an integral, necessary and required part of the teaching-learning process." Therefore, homework is assigned on a regular basis to review and/or reinforce what has been taught. Homework is part of the students' final grades and should be completed with care. Parents are encouraged to keep a constant check on assignments.

School Planners (grades 2-5)

Students should carry the school issued student planner with them at all times. The main purpose is to record homework assignments. Parents are *strongly* encouraged to check the planner regularly.

Homework requests due to absence

Parent requests for homework will be honored the day the student is absent. Such requests must be made **prior to 11:00 a.m.** through electronic request to the teacher. Homework may be sent home with another student that you designate or be picked up in the Main Office after school hours, but no later than 30 minutes after the conclusion of the school day. Please do not come during dismissal to pick up homework.

LICE

If you suspect your child has lice, you must contact the school nurse. Children may not return to school or ride the school bus until after they have been treated with an approved sha.m.poo/conditioner.

LOST AND FOUND

There is a bin for lost and found items in the school. Please inquire about the location of the bin and check for lost articles. Valuable items are held in the Main Office. Due to Integrated Pest Management recommendations, we will hold lost clothing items for no more than two weeks. Please assist us in identifying lost items by writing your child's name, homeroom number, or any other identifying information on his/her clothing that might be left at Wemrock Brook School. This will assist us in returning items to your child rather than discarding them.

LUNCH

Hot lunch/snacks are served daily in the cafeteria or your child may bring lunch from home. All district schools have a computerized "point of sale" system. A detailed letter containing all of the pertinent information will be sent home. We request that you put your child's name on all wallets, lunch boxes, and book bags for easy identification.

PARKING

When visiting the school, please park in a parking space. Do not ever leave your car unattended in the parent drop-off area. Parking on grass areas around the school, or in the bus/emergency vehicle lane is not permitted. Please do not park in the Transportation Parking lot.

PERMISSION TO LEAVE SCHOOL

Everyone's cooperation is needed to remember to schedule all non-emergency appointments for dental or medical care after school hours. It is the policy of the Board of Education that such "... appointments are discouraged as reasons for early dismissal..." If a student must be taken out of school early for a good reason your parent/guardian must report to the school office and sign the student dismissal register. This helps us to account for everyone at the end of the day. As a general rule, students are strongly urged to ride school buses to and from school, as the time spent interacting with other students on the school bus is an integral component of the elementary school experience.

RECESS

In accordance with P.L.2018, c.73, schools shall provide a daily recess period of at least 20 minutes for students in kindergarten through fifth grade. The recess period will be held outdoors when weather is acceptable. For the safety of our students, appropriate footwear is required. A school district is not required to provide a recess period on a shortened day due to a delayed opening or early dismissal. A student may not be denied recess for any reason, except as a consequence of a violation of the school's code of student conduct, or based upon the advice of a medical professional, school nurse, or the provisions of a student's Individualized Education Program (IEP) and/or 504 Plan. For denials based on violations of the school's code of conduct, students may not be denied recess more than twice per week.

SPECIAL SUBJECTS SCHEDULE

The school will follow a six-day rotation. Instead of defining a week as Monday through Friday, staff and students will follow a six day rotation where each day is labeled as A, B, C, D, E, or F. It will be imperative for students to know which letter day corresponds to the calendar, so that they are prepared with the right materials. For example, under the previous Monday through Friday schedule, students may have had physical education on Mondays and Wednesdays, but on the new six-day cycle, students may have physical education on Days A and C. A calendar will be distributed to each student and it will also be posted on the school website noting the letter day that corresponds to the calendar day.

SCHOOL CONDUCT

In order to maintain a proper educational environment and keep our school, staff, and students free of danger and disruption, we have developed the following code of conduct for our school. Please understand that the rules you are about to read in this code of conduct supplement our broad, discretionary authority to maintain safety, order and discipline inside the school zone. The rules/policies contained within this handbook support, but do not limit, our authority. In addition, please note that the code and the aforementioned authority extend to all who enter the school zone and/or attend school sponsored events.

Each teacher will review these rules and procedures with their class. We ask that you and your child review them together.

SCHOOL CODE OF CONDUCT

At Wemrock Brook, we use the acronym, ROAR, to remind students of behavioral expectations. **Students are expected to be RESPECTFUL, ORGANIZED, ACCEPTING, and RESPONSIBLE.** Appropriate behavior is expected in all areas of the school, both interior and exterior. These rules also apply to travel to and from the school, to and from the bus stop, while on the school bus, and during field trips.

Expectations of Student Behavior

1. Attend school regularly
2. Demonstrate good citizenship
3. Demonstrate respect for people and school property
4. Take responsibility for their own behavior and learning
5. Cooperate with all school personnel
6. Meet the requirements of each class
7. Complete all assignments on time
8. Refrain from any form of physical violence
9. Refrain from any conduct that disrupts or threatens to disrupt the learning of other students, including all forms of cyber bullying at both home and school.
10. Demonstrate the ability to work together and to share responsibilities

General School Rules

1. Students are not permitted to sell or solicit sales in school.
2. School phones are to be used only for emergencies.
3. Students are required to be prepared for class with proper materials and assignments.
4. Students who are absent are required to bring absence notes upon returning to school.
5. Teachers may assign students disciplinary action for inappropriate classroom conduct.
6. Students are not permitted to deface books or school property.
7. When exiting the building, students are to go directly to their buses.
8. Students are not permitted to re-enter the building during dismissal for any reason without teacher or administrator permission.
9. Students are not permitted to chew gum in school or on the bus at any time.
10. Sexual harassment is not permitted and should be reported to the teacher, school counselor, administrator, and/or parent.
11. Students are to follow the *Acceptable Use of Technology Resources Agreement*.
12. During the year there are many after school and evening activities. At all activities, students and guests are expected to follow district policies and the school code of conduct.

Disciplinary Action

Improper student behavior will result in disciplinary action. Consequences for breaking school rules will include but not be limited to:

- a. Warning
- b. Parent contact
- c. Detention
- d. Suspension

The severity of the consequence will depend upon the nature of the infraction and the student's previous pattern of behavior.

- ☐ Cafeteria and playground rules will be reviewed with students by school administrators.

We share this Code of Conduct with you so that you will be aware of our policy and will work with us to ensure the success of our program and the safety of all the students.

SCHOOL SPIRIT

You should think about school spirit in three ways:

COURTESY- towards teachers, fellow students and all other school staff.
PRIDE – in everything our school does and hopes to do.
SPORTSMANSHIP – being able to win and lose gracefully.

School spirit means loyalty to all school functions. Loyal students support our school and do their best to keep their scholastic and activity standards at the highest possible level.

SOCIAL MEDIA

No student at Wemrock Brook School is of age to legally consent to the terms of use for social media sites. Therefore, we DO NOT condone the use of social media by any Wemrock Brook student.

TRANSFER TO ANOTHER SCHOOL

If you are moving out of the area or your child is transferring to another school, please call the school office at least two (2) days before the move. At that time, we can begin to work on the transfer card and mail it to the new school on your child's last day. Proof of residency may be requested at any point in time by the school administrator.

TRANSPORTATION

Our Board of Education provides buses for all students. As per Board Policy #3541, only one seat on one bus route is reserved for each child going to and from school. **Students are not permitted to ride any bus other than their own.** Students may only get off at their assigned bus stop. In addition, students are not permitted to ride other buses to accommodate play dates, etc. It is State law that all students wear a seat belt. The bus driver represents the authority of the school and is in complete charge of the bus. **State law permits the school to exclude a student from riding the bus if, after repeated counseling, his/her conduct does not follow the district guidelines.** Such a child must still attend school, and the parent/guardian must assume the responsibility for regular attendance. Please refer to the current Manalapan-Englishtown *Bus Safety Rules for Children* brochure or call the Transportation Department with any questions.

Please note that all students in grades 2-5 will be dropped off at their assigned stop regardless if a parent is present or not. Parents who wish to routinely pick up their child (ren) at the assigned stop must make alternate plans when not able to be present. In an emergency, a parent must advise the school by a note to the child's teacher or call the Main Office if a request is made not to place a child on the bus. The child will then be sent to parent pickup.

Bus Safety

In order to ensure the safe transportation of the students of the Manalapan-Englishtown Regional School District, all children are required to conduct themselves on the bus in a manner consistent with the established standards for classroom behavior. Video and/or monitoring devices are used on school owned and operated and contracted vehicles, and students may be monitored at any time. Bus drivers are not allowed to permit any parent on a bus at any time for any reason.

Bus Detention and/or Suspension

Please refer to the *Bus Safety Rules for Children* brochure provided by the Transportation Department. Please note that administrators have discretion to assign consequences as necessary and appropriate for the safety of all children.

VISITORS

ALL visitors to our district schools MUST register their visit through the Visitor Management System when entering the building. When you arrive at the school you will be asked to ring the buzzer and state your name and the purpose of your visit. Once you report to the Main Office, office personnel will ask for your identification. You will be given a visitor's pass which MUST be worn in a visible place for the duration of your visit. On your way out of the building, you will return to the Main Office and sign out. It is imperative that you ALWAYS sign out when concluding your visit. This process has been established to better ensure the safety of students, staff, and parents that are in the building. Our Main Office staff should ALWAYS know who is expected at our schools. More information regarding Visitor Aware can be found on the district website.

*****Please note that classes will NOT be interrupted to deliver forgotten items to students. Items will be placed in the teacher's mailbox and will be picked up at the general time designated by the teacher.**

VOLUNTEERS

Parent/guardian volunteers serve an important role within our school community. Teachers and/or our PTA may contact you regarding volunteering in classrooms and/or special events. While volunteering, you are obligated to follow all school conduct rules and respect the confidentiality of our students. Concerns must be reported to the Principal immediately. In addition, we ask that cell phones be turned off when entering the building as ringing phones and personal conversations are a disruption to the educational environment. Please restrict your visit to the area in the building to which you are volunteering.

MANALAPAN-ENGLISHTOWN REGIONAL SCHOOL DISTRICT

Primary School Philosophy

We believe that all children can learn. We further believe that a primary education should take place in a community of learners that provides a developmentally appropriate, active environment with high expectations for all. By providing students with a strong foundation in literacy, communication skills, number sense, and citizenship, we will ensure the building blocks for success and a love for learning.

Intermediate School Philosophy

We believe that all children should have the opportunity to learn and achieve in an active educational environment that recognizes individual differences and provides high expectations for all learners. To realize their potential, students will develop as critical and creative thinkers through a strong foundation of instruction in literacy, technology, science, mathematical constructs, social sciences and the arts. During these formative years, students will be provided experiences to foster positive self-esteem, character development, and good citizenship.
