

What do you get when you combine responsibility, cooperation, respect, fairness, caring, courage, perseverance, and most importantly...citizenship?

You get a schoolwide Animal Shelter Project!

Do a Good Deed, Help Dogs and Cats in Need!

It is that special time of year when the students in Ms. Luciano's class will be collecting donations for a local animal shelter. There are many items that the shelter needs in order to keep the animals safe and healthy.

Please stop by room 207 to pick up a donation "Wish List" from the basket outside of our classroom.

We will be collecting donations from...

Tuesday May 27th until Tuesday June 10th.

Donated items should be brought to room 207 in the morning when you arrive at school.

Remember to be a good citizen...

Do a Good Deed, Help Dogs and Cats in Need!
