Is your child classified by the Manalapan-Englishtown Board of Education?

If so, special needs accommodations may be available depending on individual circumstances.

Please register early so we can properly plan to care for the needs of your camper.

Registrations received after May 10 may interfere with our ability to do so.

**Attention parents of ALL campers**

For the 2021 Summer Program, we are permitting a registrant to request to be grouped with 1-2 other campers. Campers have to request each other in order to be considered for this little team. More information will follow once registration opens. We realize there are some children that have been playing exclusively with others in an attempt to minimize Covid-19 exposure. Allowing the choice of 1-2 friends will help us to contain the groups as needed for camp protocol yet provide some normalcy for the campers. Please register your child for their current grade. Groups will be assigned by grade in June. Group interaction and camper/staff ratio will be determined by the NJDOH and CDC Camp Standards for the summer of 2021 (not yet released) and may affect the protocol listed in this brochure.
