With the guidance of Mr. Nortman, let your inner artist shine and create a one-of-a-kind painting.

Mr. Nortman will teach a step by step how to, while he helps you paint a scene the night of the event. You will learn techniques and skills all while creating your very own masterpiece.

A complete set of art supplies and a canvas will be provided the night of the event.

**Reserve your spot now through March 28th at www.clarkmillspto.com
Spots will be limited due to space needed for the canvas and supplies.
No registration will be accepted after or at the door.**

This is not a drop off event. At least one parent per family must stay. You do not have to paint, but we encourage you to join in. Enter through the double glass doors (D3) at the back of the building.
