Dear Parents/Guardians of Grade 3 Students:

**On Monday, December 18th**, a student "Home Report" for the InView cognitive abilities assessment for your child will be provided for your review in the Genesis Portal. This report provides a detailed summary of your child's performance on the InView.

This assessment was administered to third grade students on October 17th and 18th with makeups following in the days thereafter. This assessment was approximately 95 minutes. As indicated in prior correspondence, accommodations were not provided for this assessment.

The results provided by this assessment are utilized by the district to help identify students' strengths and instructional needs. More information on InView can be found at <https://terranova3.com/inview/>.

Should you have any questions, please do not hesitate to contact your child's teacher, your child's assistant principal, or me.

Sincerely,

A handwritten signature in cursive script that reads "Jodi Pepchinski".

Jodi Pepchinski  
Assistant Superintendent of Curriculum & Human Resources
