

Clark Mills Field Day

FRIDAY, May 17, 2024

Rain Date: Thursday, May 23, 2024

All of us at Clark Mills School are very excited about our end of the year Field Day. This event rewards all of our students for doing such a fantastic job throughout the year. On Friday, May 17th, all of our students will participate in Field Day activities and special classroom activities. This day will be filled with activities that all our children will enjoy. The children will spend part of the day inside the building engaged in a variety of activities and will also spend time outside participating in field day activities. The field day portion will be approximately 75-90 minutes long, so please be sure that your child is dressed appropriately for the weather and the program. Field Day includes events such as relay races, playground free-play, and newcomb/volleyball, to name a few. Every grade has been assigned a color to wear (see below). This will help us to build a sense of team/community for the children. Also, if your child has any severe medical problems relating to outdoors (allergies, asthma, etc.) that Mrs. Fellouris, our school nurse, does not already know about, please inform her and your child's teacher.

Individual 1st and 2nd grade teachers will make arrangements for 2 volunteers to assist with the field day activities. 3rd, 4th and 5th grade classes will not need volunteers for Field Day. If you are selected as a volunteer, please register on passage point and please be on time so students may begin their activities right away. Parents who are not contacted as volunteers will not be able to attend. Your cooperation and your assistance are much appreciated.

Important information to know:

- a) *Dress appropriately for the weather*
- b) *Assigned shirt colors are as follows:*
 - a. *YELLOW- First Grade*
 - b. *RED - Second Grade*
 - c. *BLUE - Third Grade*
 - d. *GRAY- Fourth Grade*
 - e. *GREEN - Fifth Grade*
- c) *Wear secure footwear for running, jumping, etc. **Sneakers are required.** Sandals are prohibited. Also, please be aware that "sneakers without socks" or "open back" sneakers will exclude a child from outdoor activities.*
- d) *Sunglasses/hat/cap*
- e) *Sun block, insect repellent (both should be applied at home)*
- f) *No Jewelry (tremendous chance for loss)*
- g) *Long hair (below the shoulder) tied in a ponytail or bun.*
- h) *Water bottle with name (A water refilling/drinking station will be available outside.)*

Thanks to our PTO, ice pops will be provided to all our students at the end of the Field Day activities. The Nutrition facts and ingredients for the ice pops can be found on the next page. We are looking forward to this event with great anticipation. With the support of the staff and the PTO, we know the children will experience a memorable day.
