

Attention: 2024-25 5th Grade Students Only

INTERESTED IN BEING ON TV?

DO YOU HAVE WHAT IT TAKES TO BE AN ANNOUNCER?

Then try out to be an announcer for CMTV for the 2024-25 school year!

Auditions will be held virtually. In order to try out, you must send your tryout video to Mr. Nortman by **June 7th**. The video must be in .mov or .mp4 format and can be emailed to snortman@mersnj.us or shared through Google Drive at the same address. The following are the criteria that need to be included in your audition video:

- An introduction. For example, "Good morning, dragons! This is Cookie Monster with your CMTV update."
- A weather report
- A birthday announcement
- 2 interesting announcements. These can be as creative as you like! It could be describing a new trend in clothing or that aliens have just been discovered in the school cafeteria. Make it fun!
- Close with a CM catchphrase. For example, "Step up to learning and kindness at CM," or "CMTV. Entertainment even dragons can get fired up about." You can make up your own!

You can record this however you like. I am looking for creativity, expression, clarity, and fluency. Have fun and good luck! Students who make it into CMTV will find out on June 14th!
