LEMONADE FOR SALE!!!

Clark Mills is hosting a lemonade stand again this year! Students can buy lemonade (Capri Sun juice boxes) on **Friday June 14th**. All students can get other family members and friends involved by sharing the link below. The link will be open from June 7th to June 17th. All funds raised will be donated to the Alex's Lemonade Stand Foundation to benefit pediatric cancer research. We hope you can join us again this year to help fight childhood cancer one cup at a time! Even if you cannot donate please join us by raising your glass of lemonade to show your support. Feel free to add pictures to the fundraising page (see link below) or CM PTO Facebook page. Lemonade will be \$1.00 or whatever you would like to donate. **Donations will be taken in person on June 14th** and also online through our virtual fundraising page. No amount is too small.
