

WHAT IS CODING?

Coding is what makes games, websites, and applications possible. The apps on iPads and the games on PS5 are all made with code.

WHAT'S IT ALL ABOUT?

It's an after school coding club. The club is for 4th and 5th graders who want to learn basic coding concepts. It's fun!

DO I NEED TO BE GOOD AT COMPUTERS?

No way! You just need basic computer skills and the desire to learn! If you know how to use a mouse and keyboard then you're good!

Learn to Code!

Yeah!

INTERESTED?

[Click here to fill out the Interest Form.](#)

PLEASE NOTE:
The Clark Mills version of the club will run on **Tuesdays after school** and require a pick up of 3:05 pm. Cut-off for applying for the club is 9/30/24. **Please note:** There will be a week where the club will meet on **Wednesday**. See [calendar](#) for dates.
