March 7, 2022

Dear Parents/Guardians,

I am excited to introduce myself as the new Summer Program principal for the Manalapan-Englishtown Regional School District. I hope this note finds you well, and I look forward to meeting you this summer and working closely with your children during the summer program.

Attached, you will find the Summer Program [brochure](#) detailing more information about the 2022 Manalapan Englishtown Regional Schools Summer Program. Your child is invited to join us for a fun and invigorating five weeks of learning intended to enrich and strengthen your child's learning abilities and skills. In the brochure, you will find varied programs which include courses in reading, mathematics, writing, Reader's Theater, music, band, orchestra, chess, public speaking, makerspace -- and so much more. Our summer school faculty will prepare a wide range of learning experiences for students entering into Grades 1-8 in September 2022. If you choose to enroll your child in any of the course offerings, the structure of each class will typically consist of small group work coupled with opportunities for independent activities. Learning will be hands-on and collaborative, guided by our schools' experienced, certified teaching staff who can not wait to work with your child this summer.

The 2022 Manalapan Englishtown Regional Schools Summer Program will run Tuesday, July 5, 2022 through Thursday, August 4, 2022. Classes are conducted daily Monday through Thursday. We are offering two sessions of learning opportunities. The first session will be held from 8:45 am - 10:15 am, and the second session will be conducted from 10:20 am - 11:50 am at the Wemrock Brook School which is located at 118 Millhurst Road; Manalapan, NJ. If you are interested in enrolling your child in any of the sessions, you may choose one session from either time block, or you may even choose classes from each session to have your child participate in both timeframes.

Please see the attached [brochure](#) with detailed information about each class being offered, cost for each program, and registration information. Please note that transportation to and from Wemrock Brook School will not be provided and will be the responsibility of the parent/guardian. However, we have partnered with the Manalapan Township Recreation Program to provide transportation to the recreation program at the conclusion of session one at 10:20 am or at the conclusion of session two at 11:50 am. All information related to such is detailed in the brochure.

A bright, fun summer awaits your child! We encourage you to review the course selections. If you have any questions, please feel free to contact me at cschneiweiss@mersnj.us.

Respectfully,

Christine Schneiweiss
