

FREEHOLD REGIONAL HIGH SCHOOL DISTRICT

Office of Curriculum and Instruction

Magnet & International Baccalaureate Programs

Greetings, Parents/Guardians of the Class of 2029!

The Freehold Regional High School District offers many opportunities to our students, some of which *require decisions made in the fall of 8th grade*. Two of those opportunities are our Magnet Programs and the International Baccalaureate (IB) Diploma Programme. These programs allow students to pursue passions in specific, focused areas.

In order for parents/guardians and students to make informed decisions about these options, information is available in various ways.

- Explore the [Magnet Program](#) and [IB Sites](#). These Sites provide in-depth information about each program, the application process, and important dates and deadlines.
- Attend an in-person Open House for specific programs you are interested in. These are not required, but are strongly recommended. [Dates for these Open Houses](#) are available on our site.
- For any lingering questions not answered on the site or at an Open House, submit them [in this form](#).

There are several [important dates and deadlines](#): please carefully review so you and your child do not miss informational sessions or application deadlines. **The application opens on September 18, 2024 and applications are due by November 4, 2024.** Late applications and submissions are not accepted.

If you have any questions, reach out to the FRHSD Office of Curriculum & Instruction: 732-792-7300, ext. 8529. We look forward to welcoming the class of 2029!

Sincerely,

Ms. Stephanie Mechmann

Administrative Supervisor of Curriculum & Instruction
