

A brown rabbit is sitting in a field of green grass and small white flowers. The rabbit is facing left, and its ears are upright. The text "Because of the Rabbit Activities" is overlaid on the image in a large, bold, black font.

Because of the Rabbit Activities

Optional Activities

- ★ Emma and Owen use Inspiration Stones to help give each other confidence. Make a poster with any inspirational words and phrases you would like to share. You can cut the paper in the shape of a stone and decorate it any way you like. The posters can be hand drawn or created on the computer and printed out. Please make them no larger than 8 ½ x 11. Or you can paint a rock with an inspirational message.
- ★ Emma, Owen and Jack all love to build with Legos. Build something using Legos that shows an activity or interest you might have. Your model could display your favorite sport, hobby, pet or a scene from the book! Write an index card to explain your model and why this is important to you.

Include your first and last name and teacher's name so that we can display them in the front hallway and return them to you.

All participants will receive a prize and Eagle Slip!

You may bring in your completed projects when they are done, but no later than March 26th. Have fun!
