

MILFORD BROOK STUDENT COUNCIL

September 2023

Dear Parent/Guardian:

I am happy to announce that Milford Brook School will be offering 4th and 5th grade students the opportunity to join our student council. Each 4th and 5th grade class will select one classroom representative, as well as an alternate, from those students interested. Student Council will lead the school in monthly community service activities this year as well as support Milford Brook's continuing campaign A Year of Kindness.

Interested 4th and 5th grade children will:

1. Prepare a speech IN SCHOOL during the week of September 26th and present it to their classmates to explain why they would like to be their class representative.
2. Model outstanding behavior throughout the school year including the bus, cafeteria and hallways.
3. Attend bi-monthly meetings during lunch

Those 5th grade students interested in running for a school officer position, must obtain a position as a classroom representative or alternate first. The election for officer positions will be Tuesday, November 7th with the entire Milford Brook student body voting via Google Form.

I look forward to working with the children on this committee.

Sincerely,

Mitch Kivor
Assistant Principal

I give my child _____ permission to be nominated as a class representative for the Student Council.

I am a fourth/fifth grade student and promise to behave appropriately to represent Milford Brook School. I must keep an appropriate behavioral standing in order to hold office. Poor behavior in class, including the hallway, bathroom or the bus is not a reflection of the positive role model I agree to be and is just cause for my removal from student council.
