## Yearbook Booster

**Congratulate your student on a year well done with a booster!**

### Two ways to design and order your booster:

#### Design your own ad:

The specific size requirements are listed below. You must use a graphic design program and MUST be submitted in jpeg format. Please make sure the writing or design is not too close to the edge as it may get cut off. Also, please check your message for spelling. The resolution for all photos and graphics must be a minimum of 300 DPI.

#### Yearbook Committee designs your ad (additional fee):
