- Once registered share via Facebook, email, and/or text with just a few clicks
- Our goal is for parents to send 10-15 emails to friends and family

# Pine Brook PTA's Fun Run
# FAQ's

## What is the Fun Run?

Fun Run or more commonly also known as Walk-a-thon is Pine Brook's big Fall fundraiser!
Pine Brook students, staff, and volunteers will partake in fun outdoor activities. Unlike some walk-a-thons, we are not collecting pledges for the number of loops walked. Instead, each student collects donations upfront for participating in the Fun Run. All donations should be collected during our donation drive (going on now).  On Fun Run day, we will have fun and enjoy the actives with our peers, not walk until we drop!

## What are our goals?

We are aiming for 100% student participation!  To achieve our overall goal of $10,000, we are asking all students to try and raise at least $25 in donations. All of the money raised goes to the Pine Brook PTA to help fund our end of year carnival/field day, new technology, extra school supplies for our classrooms, and more!

## How can parents help?

There are lots of ways that you can help!
1. Help your child understand what the Fun Run is to get them excited & fired up!
2. Assist your child in collecting donations.
3. Volunteer to help with the actual Fun Run event!

## How do I collect donations?

We use a digital platform for collecting donations.
