Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student’s SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short [video about Student Growth Percentiles](#) that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

**Student Growth**

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)

**English Language Arts/Literacy Assessment - Participation and Performance**

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. **English Language Progress to Proficiency**

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

**English Language Proficiency Test - Participation and Performance**

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

**NJASK Science Assessment Information**

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school’s culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

**Chronic Absenteeism**

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average (“Not Met”) or less than or equal to the state average (“Met”).

**Violence, Vandalism, HIB, and Substance Offenses**

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	0
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Total Unique Incidents	0

**Police Notifications**

This table shows, by incident type, the number of cases where an incident led to police notification.

Incident Type	Incidents Reported to Police
Violence	0
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Other Incidents Leading to Removal	0

**Harassment, Intimidation, and Bullying (HIB) Investigations**

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bullying (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

HIB Nature (Protected Category)	HIB Alleged	HIB Confirmed	Total HIB Investigations
Race	0	0	0

**Student Disciplinary Removals**

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	0	0.0%
Out-of-School Suspensions	0	0.0%

**School Day**

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:10 AM
Typical End Time	1:30 PM
Length of School Day	5 Hrs 20 Mins
Full Time - Instructional Time	N
Shared Time - Instructional Time	N

**Device Ratios**

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1.7:1

**Per-Pupil Expenditures (District Level)**

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

**Comprehensive Status**

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

**Targeted Status**

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

**Accountability Indicator Scores and Summative Rating - 2017-18 School Year**

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Score	Weight
English Language Arts Proficiency	67.83	17.5%
Mathematics Proficiency	93.36	17.5%
English Language Arts Growth	59.83	25.0%
Mathematics Growth	95.79	25.0%
Progress Towards English Language Proficiency (coming 2018)	**	**
Chronic Absenteeism	77.10	15.0%
<b>Summative Score:</b> Sum of all indicator scores multiplied by indicator weights	78.68	n/a
<b>Summative Rating:</b> Percentile rank of Summative Score	89.69	n/a
<b>Requires Comprehensive Support:</b> Summative Score is in the bottom 5th percentile	No	n/a

**Accountability Summary by Student Group - 2017-18 School Year**

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these [accountability resources](#).

 <p><b>Courses, Curriculum, Instruction:</b></p>	<p>Our curriculum is aligned to the NJ Student Learning Standards. For reading, teachers use a balanced literacy approach, a workshop model, and a variety of printed and digital texts to meet the individual needs of their readers. Essential writing skills and strategies are also taught through a workshop model using the Teachers College Writing Units of Study. Mathematics is taught using the Envision 2.0 curriculum in a workshop model to meet the various needs of their learners. Students also practice their skills through a variety of online programs. Science instruction is aligned to the Next Generation Science Standards. Students study phenomena by creating and analyzing models cooperatively. All curricular programs are enhanced by our prevalent use of technology.</p>
 <p><b>Clubs and Activities:</b></p>	<p>Wemrock Brook strongly believes in educating the whole child. As such, we offer the following after school clubs: Choir, Orchestra, and Band. Students participate in Spelling and Geography Bees, Continental Math, and Student Council. We have an intergenerational lunch program, where senior members of our community teach our students how to play Chess. Wemrock Brook also features a state of the art student run TV studio producing a daily news segment that is broadcast each morning to the entire school. Our Student Council runs several drives to help provide for those less fortunate. Additionally, students raise money for the American Cancer Society and work to raise awareness for animal abuse. Through their participation in these community partnerships, our students are learning to become global citizens who contribute positively to the world around them.</p>

 <p>Before and After School Programs:</p>	<p>In addition to services ( RTI support, behavioral interventions, counseling, and speech) offered during the day, RTI (Tier II) instruction in mathematics and reading are offered before school. Teachers of these programs create targeted and individualized interventions plans for each child, and growth is progress monitored for 6-8 weeks before a new plan is developed. The goal is to narrow identified gaps in learning. We also offer a homework club for those students who need support in completing their homework assignments.</p>
 <p>Staff and Professional Learning:</p>	<p>Professional development is on-going and embedded in-house. The school ScIP committee distributes a staff survey to determine needs based on content areas/grade levels. The implementation of the ICLE's Rigor and Relevance Framework has been a focus. PLC's exist across the grade levels/subject areas to encourage collaboration and to increase academic achievement. Staff members also participate in school-wide book clubs and committee work to grow and develop professionally.</p>
 <p>Postsecondary Information:</p>	<p>Wemrock Brook is part of a Pre-K through 8 District. After eighth grade graduation, our students attend the Freehold Regional High School District.</p>

 <p><b>Student Supports and Services:</b></p>	<p>Wemrock Brook offers intervention during the school day in both mathematics and reading instruction through our Response to Intervention (RtI) program. Students participate in tiered levels of support based on their individual needs. We also offer a homework club for those students who lack home support in completing outside assignments. For those students who need additional support, we offer a continuum of services through our special education programs. Our school counselor also offers multiple social-emotional supports groups, including the use of the Super Flex program to teach students flexible thinking strategies.</p>
 <p><b>Student Health and Wellness:</b></p>	<p>A comprehensive health and physical education program is implemented across all grade levels. In addition to physical education classes, recess time is built into each class schedule. Mandatory health and character education lessons are taught across each grade with emphasis in grades 4/5 on "family life." The counselor meets with each class every other week to review concepts related to Social Thinking and character education; small group and 1:1 sessions are also held as needed.</p>
 <p><b>Parent and Community Involvement:</b></p>	<p>A strong home-school connection contributes to the academic, social, and emotional wellbeing of our children. We are proud of our active PTA with its widespread membership. Parent volunteers are integral in many events, such as the Halloween Spooktacular and Valentine's Day Bingo. In addition, parent volunteers are invited to help in our classrooms, the media center, and at events, such as Field Day. Parents have on-going access to a child's academic information through the use of a web-based parent portal. Additionally, parents are included in the intervention process through the use of home intervention plans for Tier II and III students. Overall, Wemrock Brook is a true team of parents, administrators, teachers, and students.</p>

 <p>Climate Surveys:</p>	<p>Is a Climate Survey Used: Yes; Who is surveyed: Students, Parents, Teachers</p>
 <p>Facilities:</p>	<p>Constructed in 2001, Wemrock Brook houses first through fifth grades students in a two story, fully air-conditioned facility. Students have access to three computer labs, an outdoor playground, an outdoor courtyard, a Gymnasium, and a Media Center.</p>
 <p>School Safety:</p>	<p>Wemrock Brook employs multiple measures to ensure student safety. An Emergency Management team ensures that procedures are in place and practiced for a multitude of situations -- as per state law. A district security director and building administrators review procedures with the staff to further prepare for an emergency situation. In addition, we have implemented the use of a software system called the Passage Point Visitor Management System which is designed to allow registered parents/guardians the ability to notify the school of a visit. We also have a full time armed security officer.</p>

Technology and STEM:

All curricular programs are enhanced by our prevalent use of technology, including but not limited to the use of ST Math, IXL, Moby Max, Study Island, RAZ Kids, Achieve 3000, Gizmos, Reflex Math, and Google Classroom. Additionally, all students participate in a technology class twice a month in which students practice their computer literacy skills, including but not limited to: building a Google site, coding through Code Monkey, and typing via Typing Pal. Students in grades four and five are immersed in a 1:1 environment as each student is provided with a Chromebook and GAFE account. Students in grades 1-3 use electronic learning platforms via their classroom computers, shared iPADS, or by signing out one of the three computer labs.

Other Information:

Working collaboratively with all stakeholders, Wemrock Brook prepares our students to be global, democratic citizens. Our students participate in a rigorous educational program that meets their own specific learning needs. Student;s social-emotional learning needs are also addressed through school-wide programs. Students participate in our Student of the Month program that recognizes the character of each of our students. School events such as Field Day and our Walk-a-Thon promote collaboration and teamwork. Furthermore, our Student Council runs several drives to help provide for those less fortunate including the Gifts in Kind Drive which donates much needed personal items to victims of domestic violence, an annual book drive to provide reading material for underprivileged children, and a Hearts for Heroes Drive that collects candy to send to our troops overseas. Additionally, students raise money for the American Cancer Society and work to raise awareness for animal abuse. Through their participation in these community partnerships and school-wide initiatives, our students are learning to become global citizens who contribute positively to the world around them.
