Now more than ever is the perfect time to say thank you to your child's/children's teacher(s). Just choose from one of the twelve beautifully designed "2020 Teacher Appreciation Certificates".

The Recognition Program is usually a fundraiser for The Foundation for MERS. This year the certificates can be downloaded for **FREE**. Each certificate can be customized with your child's name, their teacher's name, and a personal message.

In just a few easy steps your child can say "THANK YOU"!

To Teach is to Touch a Life Forever.

The Foundation for Manalapan-Englishtown Regional Schools is a 501(c)(3) nonprofit corporation formed during the 2009-2010 school year that raises funds to enhance the education of the students attending kindergarten through eighth grade in the Manalapan-Englishtown Regional School District. The Foundation for MERS supports approximately 5,100 students in our K-8 district.

With your continued support and donations, The Foundation for MERS has provided over \$800,000 in grants for technology, creative programs, teacher enrichment and other resources to our schools that would otherwise not have been possible through district funding. The complete list of grants awarded can be found on The Foundation for MERS website at www.foundation4mers.org/grants.
