is proud to present:
Awakenings Theatre Workshoppe
Virtual Winter 2021
Founder & Instructor ENID BUSH

Welcome to the world of theater where your child can explore, create and be anything they want to be in a safe, fun environment.

This winter we are offering a virtual theater class for students of grades 4-7.

We will include many improvisation games, dialogues, and or monologues for the students to work on. We will explore characters and enjoy the fun of creating stories and scenes as we meet on Zoom weekly.

The class will be separated into two groups so that we can focus on each student and give them the attention they need in order to get the most out of the class.

Our goal is to allow your child to gain confidence while entering the world of pretending.
