

## Family Workshop

# Manalapan Englishtown School District

### *Welcome to the ST Math Family & Supporting Your Child in ST Math Workshop*

- In this introduction to ST Math, learn about the power of games to change the way we feel about math.
- Explore how learning occurs in ST Math and learn to support your child using your knowledge of the Learning Cycle and the program tools.
- Workshop details:
  - This event is for families. Students are welcome to attend with a parent or guardian. Registration is needed.
  - It is best to join the workshop on a computer or Ipad. No phones.
  - The workshop will not be recorded. The audience will use the chat to communicate; no cameras.
