

Spring Flag Football Registration for Girls and Boys (Kindergarten through 8th grade).

Go to www.gomyfa.com and choose Spring Flag 2019 Registration to save money today. Registration is \$149 through March 1st. Late Registration will start March 2nd, no exceptions. Don't miss out and Register today!

We have boys and girls from age 6 through 8th grade. Some grades will combine depending on numbers and registration. We've had over 600 plus registered the past 5 years and expect the same this year. Our goal is always to have separate girls' divisions where the ages and numbers allow. For the younger ages we had many girls last year play vs the boys and with them and they had a blast. It's flag football not tackle. It's all about hands and pulling flags, so sign them up.

We are always looking for coaches and volunteers. If you have any questions for our Spring Flag Coordinators
