Manalapan, NJ 07726-3758  
(732) 786-2750  
Fax: (732) 786-2751**

- **Do you reside within the Manalapan-Englishtown Regional School District?**
- **Do you have, or know of, a special needs child ages 3-21 who resides in the district who may have communication, learning, physical, social-emotional problems?**

**If so, the Manalapan-Englishtown Regional School District's child Search can help.**

Our child Search is a community-wide effort to find and help children from 3 to 21 years old who are in need of a special education program and/or services. An extra effort is being made to identify children between the ages of 3 to 5 years old for our Preschool Disabilities program which services the children with special needs. Sometimes parents do not seek help for a child because they do not know what services are available or that their child has a problem.

All New Jersey public schools are required to provide programs for children who are determined to be Eligible for Special Education and Related Services as Preschool Disabled.

Referral, professional guidance and a special education program, if appropriate, for children from 3 to 5 years old are available free of charge through the Manalapan-Englishtown Regional School District. We also provide referral information to Early Intervention Programs for children from birth to 3 years old.

If you know of a child who may benefit from our special programs, please contact:
